A Note of Apology:

Dear Parents, while the school would like to thank all the applicants for the faith shown by them in seeking admission to our school, we regret that due to limited number of seats available we may not be in a position to grant admission to all applicants and will have to decline some applications. We sincerely regret this. However please note that the decision of the Admission Cell in this regard needs to be considered as final.

A Note of Caution – Most Important:

The school does NOT accept donation in cash or kind and if you hear of any person / persons claiming to be able to secure admission to our school against any kind of donation, parents are advised not to trust such persons and to bring this to the notice of the school authorities at the earliest. Similarly, we would not appreciate a parent getting us any reference letter for admissions as our admission process is transparent with no provision for preferential treatment to any specific child or parent. We treat every application with equal reverence and every application is met with the same equitable treatment.

Thank You.

Warm regards
A.M. Naik School
