Notice Regarding ISC Admission for AY 2025-2026

Dear Parent,

We are happy to announce that, in addition to our ISC Science and Commerce regular curriculum, we have also introduced additional integrated courses in collaboration with Champions Academy. These courses are designed to enhance the learning experience of our students and provide them with the necessary skills for competitive exams, over and above the ISC curriculum. The details of these courses are outlined below for your kind reference:

1. **Science Integrated JEE/NEET** (ISC syllabus for PCM/B subjects included)
2. **CA Foundation**
3. **CLAT/CUET** (Reasoning and Quantitative Analysis)

These integrated courses will be run by Champions Academy, and the fees for these courses will be collected separately by them via cheque in three installments. The fee structure is as follows:

- 60% as advance, payable at the time of admission
- 20% payable in July 2025
- 20% balance payable in October 2025

Apart from the above fees, please note that you will continue to pay the school fee separately via our MICM Educspoint portal in 8 quarterly installments over a two-year duration (4 installments per year). The school fees will remain the same for the entire duration of the course.

For further details regarding the integrated courses, please contact Mr. Kishore Mahajan from Champions Academy. at:
